

Thursday Evenings, 7-8:30
September 17th– October 10th
Ages 12-112!

Week 1

Marbleizing Paper with a touch of Origami

Learn the simple Japanese technique of marbleizing paper with water and ink, then afterward we will make an origami project!

Practical use: making gift wrap, stationery , book covers, and decorative, frameable art!

Week 2

Alcohol Ink Fun.

If you have never worked with Alcohol ink you are in for a surprise! We will be working on ceramic tiles to create beautiful, colorful works of art.

Practical use: ceramic coasters or small ceramic wall art.

Week 3

Watercolor cards

Learn the basic technique of Sumi-e, a casual Japanese form of painting. Our class will be focused on the creation of simple flowers, leaves and stems.

Practical use: greeting cards, frameable art,

Week 4

Felting

Using pins, wool and a sponge this class explores the fun of fiber art! Felting is an old technique in which wool (Of many colors may I add) are brought together by continually pressing the wool with a sharp object , in this case, a series of pins.

Practical uses, lapel pins, add as decorations to knitted or crocheted hats and scarves, decorations for the holidays and beyond!

Registration Due Sept. 5th

You can sign up for each class individually
or as a group of classes. Each class is 10.00
which covers all supplies .
